Elliott – I want to be able to share this with Brent at BLM; will I be able to forward the link ? Or do I need to just copy to CD and send. His email won't talk large files either.

Thanks

Hi Steve,

Please find attached the draft Operation Plan for the RnB and Gold King Work this season, as well as the draft Sampling and Analysis Plan for Red and Bonita.

●□□□□□□□ For the operational plan, as this is not a typical item we prepare, let me know if this is what you were looking for or if a different format is preferred.

●□□□□□□□ For the SAP please review it and let me know if there are any edits you would like to have made or if you would like to see this as a combined Gold King and Red and Bonita SAP.

Thanks,

Elliott
